

PAID UP OIL AND GAS LEASE - NON SURFACE

This Lease made this 8th day of January, 2009, by and between LuAnn C. Panyla, f/k/a LuAnn C. Guild, of 53 Main Street, Big Flats, NY 14814 hereinafter called "Lessor" and Anschutz Exploration Corporation, 555 17th Street, Suite 2400, Denver, Colorado 80202, hereinafter called "Lessee".

WITNESSETH: That for and in consideration of One Dollar (\$1.00), paid in hand by Lessee, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and of the premises, mutual covenants and agreements hereinafter set forth, the Lessor and Lessee agree as follows:

1. LEASING CLAUSE. Lessor hereby grants, leases and lets exclusively to Lessee all the oil and gas and their constituents, whether hydrocarbon or non-hydrocarbon, underlying the land herein leased, "the Leasehold", together with such exclusive rights as may be necessary or convenient for Lessee, at its election, to explore for, develop, produce, measure, and market production from the Leasehold, and from adjoining lands, using methods and techniques which are not restricted to current technology, including the exclusive right to conduct geophysical and other exploratory tests; to use oil, gas, and non-domestic water sources, free of cost.

2. DESCRIPTION. The Leasehold is located in the Town(s) of Big Flats, in the County of Chemung, in the State of New York, and described as follows:

Tax Map No(s): 66.04-1-35

and is bounded substantially by lands now or formerly owned as follows:

On the North by: Dean/Mitchell;

On the East by: Mitchell;

On the South by: Main Street;

On the West by: Masonic Hall;

and being lands conveyed to Lessor by deed or other Document, recorded in 34/007 of the records of said County and State, and described for the purposes of this agreement as containing a total of .54 acres, whether actually more or less, and including contiguous lands owned by Lessor.

3. LEASE TERM. This Lease shall remain in force for a primary term of five (5) years from January 8, 2009, (the "Effective Date") and for as long thereafter as prescribed payments are made, or for as long thereafter as operations are conducted on lands pooled or unitized with the Leasehold in search of or production of oil, gas, or their constituents, or for as long as a well capable of production is located on lands pooled or unitized with the Leasehold, or for as long as extended by provision herein. If after the primary term the last producing well on lands pooled or unitized with the Leasehold is plugged and abandoned, the Leasehold will remain under Lease for an additional period of one year from the date of plugging and abandonment, subject to the Cessation of Production provision contained herein.

4. EXTENSION OF PRIMARY TERM. Lessee has the option to extend the primary term of this Lease for one additional term of five (5) years from the expiration of the primary term of this Lease; said extension to be under the same terms and conditions as contained in this Lease. Lessee may exercise this option to extend this Lease if on or before the expiration date of the primary term of this Lease, Lessee pays or tenders to the Lessor or to the Lessor's credit an amount equal to the initial consideration given for the execution hereof. Exercise of this option is at Lessee's sole discretion and may be invoked by Lessee where no other alternative of the Lease Term clause extends this Lease beyond the primary term.

5. PAYMENTS TO LESSOR. Lessee covenants to pay Lessor, proportionate to Lessor's percentage of ownership, as follows:

(A) ROYALTY: To pay Lessor as Royalty, less all applicable taxes, assessments, and adjustments on production from the Leasehold, as follows:

1. OIL: To deliver to the credit of Lessor, free of cost, a Royalty of the equal thirteen and one-half percent of all oil and any constituents thereof produced and marketed from the Leasehold.
2. GAS: To pay Lessor an amount equal to thirteen and one-half percent (13.50%) of the net proceeds realized by Lessee from the sale of all gas and the constituents thereof produced and marketed from the Leasehold. Lessee may withhold Royalty payment until such time as the total withheld exceeds twenty-five dollars (\$25.00).

(B) DELAY IN MARKETING: If after the expiration of the primary term, or any extension thereof, Lessee is not marketing producible gas, oil, or their constituents from a well capable of production located on lands pooled or unitized with the Leasehold, Lessee shall make payment to Lessor at a rate of Five Dollars (\$5.00) per net mineral acre per year for all acreage included within a spacing unit. Such payment shall be made on the next anniversary date of the Effective Date of the lease following the 90th day after the well(s) was deemed capable of production, and shall continue annually thereafter until such time as marketing is established, and such payment shall maintain this Lease in full force and effect to the same extent as payment of Royalty.

(C) SHUT-IN: In the event that production of oil, gas, or their constituents is interrupted and not marketed for a period of six months, and there is no producing well on lands pooled or unitized with the Leasehold, Lessee shall thereafter, as Royalty for constructive production, pay a Shut-in Royalty, within ninety days following the next anniversary of the Effective Date, at a rate of Five Dollars (\$5.00) per net mineral acre per year for all acreage included within the spacing unit containing the shut-in well until such time as production is re-established and said payment shall maintain this Lease in full force and effect to the same extent as payment of Royalty. During Shut-in, Lessee shall have the right to rework, stimulate, or deepen any well on lands pooled or unitized with the Leasehold or drill a new well on lands pooled or unitized with the Leasehold in an effort to re-establish production, whether from an original producing formation or from a different formation. In the event that the production from the only producing well on lands pooled or unitized with the Leasehold is interrupted for a period of less than six months, this Lease shall remain in full force and effect without payment of Royalty or Shut-in Royalty.

(D) SUSPENSE / ESCROW: Lessee shall be allowed to suspend and/or escrow royalty payments into an interest bearing

account; pending the issuance of a Spacing Order by the appropriate Governmental Authority, or created by contract right, for any well drilled on lands pooled or unitized with the Leasehold. This suspension and/or creation of an Escrow Account shall, for purposes of this Lease, be considered the Payment of Royalty.

(E) MANNER OF PAYMENT: Lessee shall make or tender all payments due hereunder by check, payable to Lessor, at Lessor's last known address, and Lessee may withhold any payment pending notification by Lessor of a change in address.

(F) CHANGE IN LAND OWNERSHIP: Lessee shall not be bound by any change in the ownership of the Leasehold until furnished with such documentation as Lessee may reasonably require. Pending the receipt of documentation, Lessee may elect either to continue to make or withhold payments as if such a change had not occurred.

(G) TITLE: If Lessee receives evidence that Lessor does not have title to all or any part of the rights herein leased, Lessee may immediately withhold payments that would be otherwise due and payable hereunder to Lessor until the adverse claim is fully resolved.

(H) LIENS: Lessee may at its option pay and discharge any past due taxes, mortgages, judgments, or other liens and encumbrances on or against any land or interest included in the Leasehold; and Lessee shall be entitled to recover from the debtor, with legal interest and costs, by deduction from any future payments to Lessor or by any other lawful means.

(I) NOTICE: In the event Lessor considers that Lessee has not complied with any or all its obligations hereunder, both express and implied, Lessor shall notify Lessee in writing, via certified United States mail, setting out specifically in what respects Lessor considers Lessee has breached this contract. Lessee shall then have sixty (60) days after receipt of said notice within which to meet or commence to meet all or any part of the breaches alleged by Lessor. The service of said notice shall be precedent to the bringing of any action by Lessor on said Lease for any cause, and no such action shall be brought by Lessor until the lapse of sixty (60) days after service of such notice on Lessee. Neither the service of said notice nor the doing of any act by Lessee aimed to meet all or any of the alleged breaches shall be an admission or presumption that Lessee has failed to perform all its obligations hereunder. It is agreed that this Lease shall never be forfeited or cancelled for Lessee's failure to perform, in whole or in part, any of its implied covenants, conditions, or stipulations, including payment of any rentals and royalties due under this Lease, until it shall have been first finally judicially determined that such failure exists, by a final order of a court of competent jurisdiction and after such final determination, Lessee is given a reasonable time therefrom to comply with any such covenants, conditions, or stipulations.

(J) CHARACTERIZATION OF PAYMENTS: Payments set forth herein are covenants, not special limitations, regardless of the manner in which these payments may be invoked. Any failure on the part of the Lessee to timely or otherwise properly tender payment can never result in an automatic termination, expiration, cancellation, or forfeiture of this Lease. Lessor recognizes and acknowledges that oil and gas lease payments, in the form of bonus and royalty, can vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor hereby agrees that the payment terms, as set forth herein, and any bonus payments paid to Lessor constitute full consideration for the Leasehold. Lessor further agrees that such payment terms and bonus payments are final and that Lessor will not seek to amend or modify the lease payments, seek additional consideration or register any complaint based upon of any differing terms which Lessee has or will negotiate with any other lessor/oil and gas owner.

6. UNITIZATION. Lessor grants Lessee the right to pool, unitize, or combine all or parts of the Leasehold with other lands, whether contiguous or not contiguous, leased or unleased, whether owned by Lessee or by others, at a time before or after drilling to create drilling or production units either by contract right or pursuant to Governmental Authorization or Order. Such units will not exceed 640 acres (or such other size as allowed by the appropriate Governmental Authority). Where Lessee forms a unit by contract right, it may, at its' sole option, place of record, a copy of its Declaration of Unitization. Lessor shall be provided with notice of the formation of unit(s) as may be required under the Unitization Requirements of the appropriate Governmental Authority. Whether unit(s) are formed by contract right or by appropriate Governmental Authority, for all purposes of this Lease, the Leasehold shall be deemed to be unitized effective with the spud date of any well for which any portion of the Leasehold is finally determined to be included in the Unit(s) therefore. Lessee is granted the right to change the size, shape, and conditions of operation or payment of any unit created. Lessor agrees to accept and receive out of the production or the net proceeds realized from the production of such unit, such proportional share of the Royalty from each unit well as the number of Leasehold net acres included in the unit bears to the total number of acres in the unit; for such purposes, Lessee may, at it's option, definitively rely on the acreage calculations of the local property tax assessment authorities. Otherwise, drilling, operations in preparation for drilling, production, or shut-in production from the unit, or payment of Royalty and/or Delay in Marketing and/or Shut-In Royalty shall have the same effect upon the terms of this Lease as if a well were located on the Leasehold.

7. TITLE AND INTERESTS. Lessor hereby warrants generally and agrees to defend title to the Leasehold and covenants that Lessee shall have quiet enjoyment hereunder and shall have benefit of the doctrine of after acquired title. Should any person having title to the Leasehold fail to execute this Lease, the Lease shall nevertheless be binding upon all persons who do execute it as Lessor. If this lease covers a lesser interest in the oil and gas, and their constituents, granted herein in all or any part of the Leasehold than the entire and undivided fee simple estate (whether Lessor's interest is herein specified or not), or no interest therein, then the royalties and other moneys accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease, bears to the whole and undivided fee simple estate therein.

8. LEASE DEVELOPMENT. There is no covenant to develop the Leasehold within a certain time frame, and there shall be no forfeiture of the rights granted hereby based on any implied covenant to produce. Other provisions contained herein constitute full compensation for all of the rights and privileges herein granted.

9. FORCE MAJEURE. This Lease and its expressed or implied covenants shall not be subject to termination, forfeiture of rights, or damages due to failure to comply with obligations if compliance is prevented by acts of God, federal, state, or local law, regulation, or decree (including, expressly, consent decrees), or any circumstance reasonably beyond the sole control of Lessee.

10. CONTINUING OPERATIONS. If, at the expiration of the primary term of this Lease, there is no production of oil, gas or condensate from the Leasehold or lands pooled or unitized therewith, but Lessee is engaged in operations for drilling,

reworking, plugging back or deepening a well on lands pooled or unitized with the Leasehold, this Lease shall remain in force and its term shall continue for so long as such operations or additional drilling, reworking, plugging back or deepening are prosecuted with no cessation of more than ninety (90) consecutive days and if any such operations result in the production of oil, gas or condensate covered hereby, as long thereafter as there is production from the Leasehold or lands pooled or unitized therewith, or the term of this Lease is otherwise extended by any of the provisions herein.

11. CESSATION OF PRODUCTION. If, after the expiration of the primary term of this Lease, or any extension thereof, production of oil, gas or condensate from the Leasehold, or lands pooled or unitized herewith, should cease, this Lease shall not terminate, provided that Lessee commences operations for drilling, reworking, plugging back or deepening a well located on lands pooled or unitized with the Leasehold within ninety (90) days from such cessation, and this Lease shall remain in force during the prosecution of such operations, and for so long as such operations are prosecuted with no cessation of more than ninety (90) days, and, if production of oil, gas or condensate results from such operations, then this Lease shall remain in force and effect for so long as production continues or operations are being conducted as herein provided, or the term of this Lease is otherwise extended by any of the provisions herein.

12. PREFERENTIAL RIGHT TO RENEW. If, at any time during the primary term hereof, or within one (1) year from the expiration, cancellation or termination of this Lease, Lessor receives an acceptable, bona fide third-party offer to lease the Leasehold, in whole or part, Lessor shall promptly provide the Lessee, in writing, of all of the verifiable particulars of such offer. Lessee shall have thirty (30) days from the receipt thereof to advise Lessor, in writing, of its agreement to match said third-party offer as to all terms and consideration; immediately thereafter, Lessor and Lessee shall take all cooperative steps necessary to effectuate the consummation of said transaction and the survival of said transaction through any statutorily mandated right of cancellation thereof. Any lease or option to lease the Leasehold, in whole or part, granted by Lessor in contravention of the purposes of this paragraph shall be deemed null and void.

13. ENTIRE CONTRACT. The entire agreement between Lessor and Lessee is embodied herein. No oral warranties, representations, or promises have been made or relied upon by either party as an inducement to execute or modify this Lease.

14. SURRENDER. Lessee may surrender and cancel this Lease as to all or any part of the Leasehold by recording a Surrender of Lease, and if a partial surrender, the Delay Rental provided in the PAYMENTS clause shall be reduced in proportion to the acreage surrendered.

15. SUCCESSORS. All rights, duties, and liabilities herein benefit and bind Lessor and Lessee and their heirs, successors, and assigns.

It is expressly understood that Lessee shall not have the right to drill wells, construct pipelines, construct access roads and/or install any other facilities on the herein described leased premises under the terms of this lease, it being the intent this lease is granted for unitization purposes only. It is expressly understood and agreed, however, that Lessee shall have the exclusive right to conduct geophysical testing on the herein described premises by virtue of rights contained in the granting clause. Notwithstanding anything contained herein to the contrary, in the event Lessee deems it necessary to construct a pipeline across the Leasehold for the transportation of gas produced from a well located on lands pooled or unitized therewith, Lessor agrees to negotiate in good faith a separate pipeline right of way agreement with Lessee.

IF THIS LEASE BECOMES FORFEITED, TERMINATED OR EXPIRES, THE LESSEE, OR IF THE LEASE HAS BEEN ASSIGNED, THE ASSIGNEE, IS REQUIRED TO PROVIDE A DOCUMENT CANCELING THE LEASE AS OF RECORD, AT NO COST TO THE CURRENT LAND OWNER. IF THE LESSEE OR ASSIGNEE FAILS TO CANCEL THE LEASE, THE CURRENT LANDOWNER MAY COMPEL A CANCELLATION PURSUANT TO SECTION 15-304 OF THE GENERAL OBLIGATIONS LAW.

IN ORDER TO CANCEL THIS LEASE, YOU MUST EXECUTE A NOTICE OF CANCELLATION IN THE FORM PROVIDED BELOW, MAIL IT TO THE LESSEE AND REFUND ALL AMOUNTS PAID TO YOU BY THE LESSEE WITHIN THE THREE-DAY CANCELLATION PERIOD.
